## "Race Against Time"

Microphone check  
Microphone check

Can I get a check up from the neck up  
Can I kick a rhyme  
While I'm checkin my time  
Can I get a cure  
Cause you did da crime  
For sure  
You're

Probably killin me  
Wit these shots

Tell me what I got  
An I'm gone

Pandemic  
Who did it  
Right who did it  
Thats who did it

Who/World Health Organized  
Murderized

Came to the aid got paid

Doctor doctor in a lab  
Concocted a germ warfare to the botty  
I rocked it

105 million goin down  
In da ground

Most in da black an da brown  
Ow!

How did I catch this riddle  
If I didn't crossover  
Like a Hardaway dribble

They blamed it on some  
Green African money

Now ain't that funky

While da clock

Iz doin da tickin & tock

I didn't know

Dat da guns aimed & cocked

Were runnin outta  
Time.....time  
Rage against

Testin 1 - 2  
Testin 1 - 2

Can I get a blood check testin 1 - 2

Can I get a witness?/yes you can  
Can I get a witness?/yes you can

Then check it

I'm checkin records and facts  
About da battle  
To da Indian, Japanese  
Whites and blacks

Germs they spread it  
Warfare I read it  
Quote me on this yes and I said it  
Bet it

Bigger damage than the trigger & glocks  
Mass murder in mass from a  
Blanket full a small pox

No guarantees gettin lesser fees  
In Tuskegee blacks got shot  
Wit disease

Please check da time  
C'Mon check da rhyme

Tribe a mine killed by da swine

Who crossed da line?  
Who did da crime

The mind of a world destroyin kind

Were runnin outta  
Time.....time  
Rage against time

Oh.....oh

Ey.....ey
